FRIENDS HELPING FRIENDS

Dear Friends,

We are all challenged every day with change. When change comes, we must pivot to the new reality, which for this year will be the "FRIENDS OF PALLIATIVE CARE GOLF DAY".

YES we are doing it! We need our friends and we need Palliative Care. We know BCC is able to safely manage the golf course under the current restrictions set by the Provincial and local health authorities and through working with them we believe we can have our friends come together and enjoy a golf day. Yes it will look different, but we can still enjoy some of what you have come to expect from us.

This is what we know for sure now under the current rules, we must manage all pinch points to keep proper distance:

- All sponsors from 2019 will be recognized at the same level for 2020 regardless of 2020 sponsorship contribution, however if golfing; we request that you cover the cost of the golf. All marketing will be the same as 2019 for your recognition. We appreciate you and your support always!
- The tournament will be held over 2 days- Tuesday, Sept 1st and Wednesday, 2nd 2020
- Booked tee times- a foursome every 10 min starting at 10 am
- Lunch will be delivered to you on your cart
- Food and beverage on the course
- Welcome gift
- Sealed envelope auction

What we pray we will also be able to do.

- Bring everyone back for a banquet Wednesday evening. We will live inside the guidelines- if they say we can have everyone together, but it must be outside, maybe its food stations. What ever we can do within the guidelines we will do. There will be no risk taken.
- Live auction with auctioneer
- Silent auction

Because we do not know if we can have the banquet the fees will be as follows:

| BBC Member | Non Member |
|-------------------|-------------------|
| \$225 | \$275 |
| -50 | -50 |
| <hr/> | <hr/> |
| \$175 | \$225 |

If we can put on a cocktail hour and meal, we will have a \$50 charge for each person that wishes to attend the banquet/meal.

Although we won't be able to be as close as we always have been, we hope you will join us for the current new reality. You will get to enjoy ALMOST all of what you have always expected from us and hopefully we will raise some much-needed funds for the Palliative Care Program.

When you register please advise if you would prefer Tuesday or Wednesday. We will try to accommodate your request.

Watch for the registration E-Blast coming Soon!

We have always tried to do something different to prepare our house for our friends we never dreamed this different. But hey at least the family is getting together! Because we truly believe in... **"Friends helping Friends"**

Sincerely,
